

Here's one of my favorite songs by Raffi. I sang it with my daughters and now with my granddaughters. You can listen to it on YouTube at <https://youtu.be/8P2LSwwPBuo> to get the beat. Kathy

Willabee Wallabee

My Version of the song by Raffi

Willabee Wallabee Woo

An elephant sat on you!

Willabee Wallabee We

An elephant sat on me!

Willabee Wallabee Warlotte

An elephant sat on Charlotte!

Willabee Wallabee Woppy

An elephant sat on Poppy!

Do each of your children first and then you can add mommy, daddy, neighbors, friends, anyone you want. Have fun!
